The Industry Problems

70% OF EVENT GUESTS SAY UNIQUE, PERSONALISED EXPERIENCES ARE WHAT THEY REMEMBER MOST.

Shop bought syrups, purees and juices filled with chemicals or altered to increase shelf life

Unprofessional staff with poor service, no passion and forgettable drinks

Generic boring menus in bars. With no customisation or changes to suit clients needs

Our Solution

The Brothers Behind The Brand

Co-Founder
Shiva Lakhani
Shiva@OHMixology.com

Shiva's deep-rooted passion for mixology and his creative vision have been the driving forces behind the unique drinks we offer. With a keen eye for detail and a love for experimenting with v, he's turned every challenge into an opportunity to innovate and redefine what cocktails can be

Co-Founder
Hari Lakhani
Hari@OHMixology.com

Hari's background as a chef enables him to understand the technical side. His understanding of ingredients, textures, and the science of cooking allows him to bring a deeper level of precision and care to every drink. Whether it's through perfecting a garnish or finding the right balance of flavours, Hari's meticulous approach ensures that each creation is executed flawlessly.
